THILOGI

THILOGI is a member of THACO GROUP, providing full-package logistics services with optimal, cost-effective solutions to enhance customers' competitiveness.

With a network of domestic and international logistics services, THILOGI plays a key role in facilitating trade along the East-West Economic Corridor, connecting Northeastern Thailand, Southern Laos and Northern Cambodia with Central Highlands and Central Vietnam. This contributes to the growth of trans-Asian trade and global connectivity, expanding access to major international markets in Europe and the Americas.

THILOGI

VISION

BECOME THE LEADING LOGISTICS PROVIDER IN VIETNAM

MISSION

DELIVER VALUE TO CUSTOMERS, PARTNERS
AND CONTRIBUTE TO THE DEVELOPMENT OF VIETNAM'S LOGISTICS INDUSTRY

Based in the heart of the key economic zone of Vietnam's Central and Central Highlands, with intensive investment in systematic infrastructure, diverse and professional services, IT applications to form smart logistics platforms.

THILOGI is paving its way to become a leading full-package logistics service provider in Vietnam's Central region which offers optimal logistics solutions with highest value to customers and partners.

PORT SERVICE

Chu Lai Port is considered as a trading hub, a connection gateway to the East Sea for Vietnam's Central Highlands, southern Laos, and northeastern Cambodia.

Chu Lai port is contributing to the completion of the logistics supply chain along the North-South axis, promoting its local and foreign trading activities.

ROAD TRANSPORTATION

Owning more than 600 specialized vehicles and having ASEAN Cross-Border Transport License to serve for domestic transport across Vietnam and cross-border transport to Laos and Cambodia as a reputable and experienced transport unit. Ensuring an optimal cost and timely delivery for customers.

MARINE SHIPPING

Owning feeder vessels that are in charge of domestic shipping services for containers, reefer containers, bulk cargoes...

FORWARDING SERVICE

Providing comprehensive international logistics services such as NVOCC, comprehensive international freight, warehousing, and concentrated transport, which helps cargo come/go to all countries around the world. Assuring your on-time shipments and customs clearance procedures at every shipping gateway.

PACKING AND UNPACKING SERVICE

Offering packing and unpacking services that can be customized to meet the needs of any move, large or small. Ensuring that your items are packed or unpacked efficiently and transported safely.
